

**Remarks**

Claims 1-9, 11, and 13-17 remain in the application.

In the office action dated March 28, 2005 the Examiner indicated that claims 1-7 and 15-17 have been allowed.

The rejections under 35 USC 112 have been addressed by amending Claim 8 to delete "significant crystallization" and incorporate the temperature limitation of claim 12. Claim 10, which included "Orbicell", has been deleted.

The rejections to claims 18 and 19 have been obviated as those claims have been canceled.

It is respectfully requested that the Examiner accept and consider the listed documents and make them of record in the above-captioned application.

Respectfully submitted,

FITCH, EVEN, TABIN & FLANNERY
